LTTA and 5th TPM

We have time to visit "Gheorghe Popadiuc"
Gymnasium School, Blijdorp, a day center

We have the chance to be present at NEst-TV Channel,
a local mass-media institution, where we talk about
the project.

We participate in two workshops, organise at
Technical College of Food Industry

On the management meeting we discuss issues
regarding the dissemination plan, future activities
and the progress of the project

LTTA and 3rd TPM

After 5 online webinars we meet in person
and talk more about:

Peaceful baby sleep day and night
Is my baby "normal" - early intervention (learning
disability awareness) and more topics connect with
the project. We meet some stakeholders working on
the topic.

On the management meeting we discuss issues
regarding next meetings, future activities
and steps
